MEMORANDUM FOR THE CHIEF, CLASSIFICATION REVIEW DIVISION, CENTRAL
 INTELLIGENCE AGENCY

SUBJECT: Request for Declassification Review

During research for the memoirs of Paul H. Nitze, who served as Assistant Secretary of Defense (International Security Affairs), 1961-63 and Deputy Secretary of Defense, 1967-69, the attached notes have been made from classified OSD records of possible interest to your agency.

OSD regulations require that this office ascertain your views as to whether the notes may be used in the preparation of the Nitze book which is to be published in unclassified form. If your judgment is that the notes cannot be released in their entirety, please indicate those portions which need to be excised, in order to make them releasable. It should be emphasized that you are not being asked to review for declassification the documents from which the notes were taken. In addition, please let us know whether you recommend that the notes be referred to other agencies for review.

Your response is requested by May 17, 1984.

Please return the notes to Mr. Brian V. Kinney, Chief, Declassification and Historical Research Branch, Records Management Division, Washington Headquarters Services, Room 1D517, Pentagon, Washington, D.C. 20301, upon completion of your review. It is likely that we will be sending you additional notes as the research for the Nitze memoirs progresses.

In accordance with established DoD procedures, Mr. Nitze will be required to submit to the Office of the Assistant Secretary of Defense (Public Affairs) those portions of any manuscript based on OSD records for a final security review prior to publication.

The attached notes have been reviewed by the United States Arms Control and Disarmament Agency, which has no objection to their release subject to your concurrence. The notes will be reviewed concurrently by the Department of State, the Joint Chiefs of Staff, and the Deputy Assistant Secretary of Defense for Negotiations Policy, International Security Policy (Multilateral Negotiations).
